PRO RADOST

ABOUT US

We are **professionals in our field** and also a friendly team of a small **family business**, established in 2009. We are fortunate to do something we truly enjoy, and therefore we approach our work with love.

This extends to how we treat our customers and the brands we represent.

We believe in **quality** and the **added value** of **emotions** that all our products embody.

Our products enhance both commercial spaces and homes, creating beautiful and cozy environments filled with **love, friendship, and comfort**.

In other words, they make anywhere feel like **HOME!**

A Ceppo

FIRENZE

Italian brand – specializing in the production of shaving products for men

- operates worldwide since 1964
- innovative, elegant design and sophisticated details
- using natural materials for bristles and handles
- the brand offers a wide range of unique shapes, materials, and surface finishes, making it unparalleled in the realm of men's grooming

Bukowski

Swedish brand, a market leader in the production of plush bears and other animals.

- Operating in the European market since 1990, it prides itself on a long-standing family tradition.
- Founded by Barbara Bukowski, a very interesting woman with a captivating life story.
- The brand is committed to making high quality products, that meet safety standards and certifications even for infants - from 0+.
- Offers luxury and collectible plush (bears, animals), collections for babies.
- Previously, the brand was known for its color palette - white, cream, and brown - with no colorful extravagances.
- Today, it sensitively incorporates colors, yet the distinctive design, recognizable at first glance, remains evident.

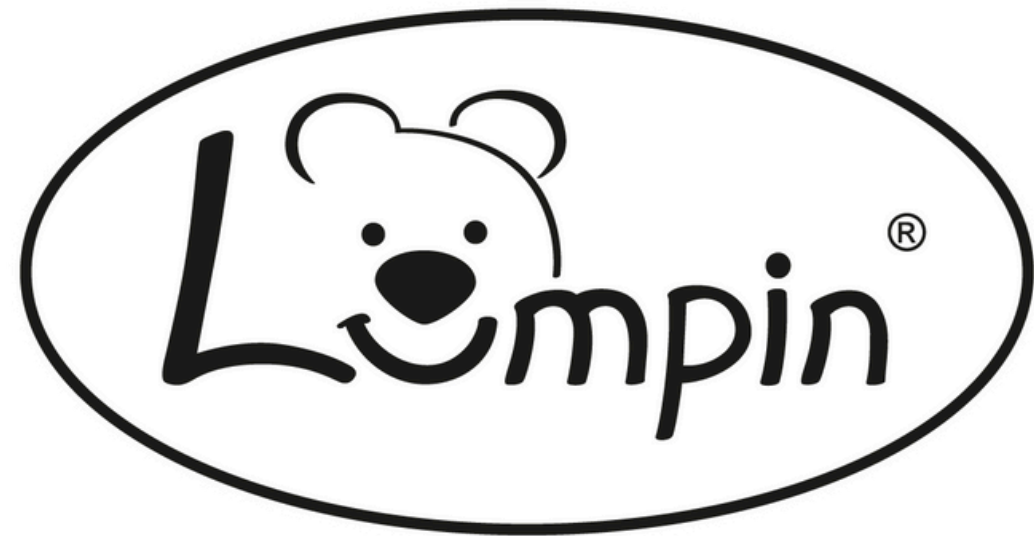

Sigikid is a legendary German brand that ranks among the top in producing products for children.

- You can find the sigikid brand in stores all over the world.
- In Germany, it is a very stable and sought-after brand for its quality and added value. This is reflected in the slogan: FIRST CLASS FOR KIDS.
- The brand is known for specific items like snack boxes, drinking bottles, and dishware.
- The products are made from premium, non-toxic materials, meeting the strictest standards and certifications.
- There's a special plush collection for adults - BEASTS - home decor with a story.
- The brand's products are well known for their longevity.

Czech brand with a story.

- established in 2014 in Prague
- sold throughout Europe, although it might seem like a NEW BORN among plush brands
- designed by Helena Rykrová - owner of sigifun
- plush toys suitable for children and adults with certification from 0+
- distinctive, cuddly, and imaginative design each plush toy has its own personality traits, called a "story", just like children and adults
